

TASTE AND SEE - Funding Perspectives

Taste and see that the Lord is good. (Psalm 34:8)

It's said that it takes 31 days to form a new habit. This Taste and See is designed to help you align your perspective on a daily basis with what the Word says about Biblical funding. It's not designed as a Bible *study* but rather as a *daily meditation* that will help head knowledge become heart knowledge.

GUIDE FOR EACH DAY:

1. Read the passage and summarize the main thought (writing something helps make it more real.).
2. Write your application specifically focusing on how this passage speaks to your fears about funding.
3. Pray for God to help you overcome, by faith and trust, your fears and doubts.
